

Artwork for the NHS

What can we do to help?

More and more NHS facilities are being set up to help better manage the resources required during the Coronavirus pandemic.

Lancashire Mind want to help out local services by providing photos of artwork created by the young people in Lancashire to help brighten up these facilities and bring some much needed smiles!

We'd love for you and your family to get involved!

How does it work?

Get creative and send us your artwork photos!

Instructions:

- 1 Plan your artwork! Will it be a drawing or a collage?
Glitter? 3D?
- 2 Create your artwork on A4 paper (this will make sure that when you take a photo of it you can fit it all in)
- 3 Add your first name if you want to
- 4 Take one close up photo of just your artwork
- 5 Have a photo taken of you with your artwork!
- 6 Make sure to fill out the consent form so we can share your artwork and photos to the NHS and on social media!

And then finally...

Email both photos and the consent form through to
paulamay@lancashiremind.org.uk
