Dear Parents and Carers

Welcome to the weekly newsletter.

## Year 11

Next week sees another busy week of exams for Year 11 with English Language, Chemistry, Spanish, Maths, Physics and Geography. Please remember that students should be in school for any lessons in subjects they are still to have an exam in, revision sessions before exams and of course need to be here promptly for the start of exams.

## Year 10

Thank you to the staff who accompanied a second group of Year 10 students to Tower Wood this week. I hope the experience of residential activity education was a good one for all.
