

Summer Term 2023

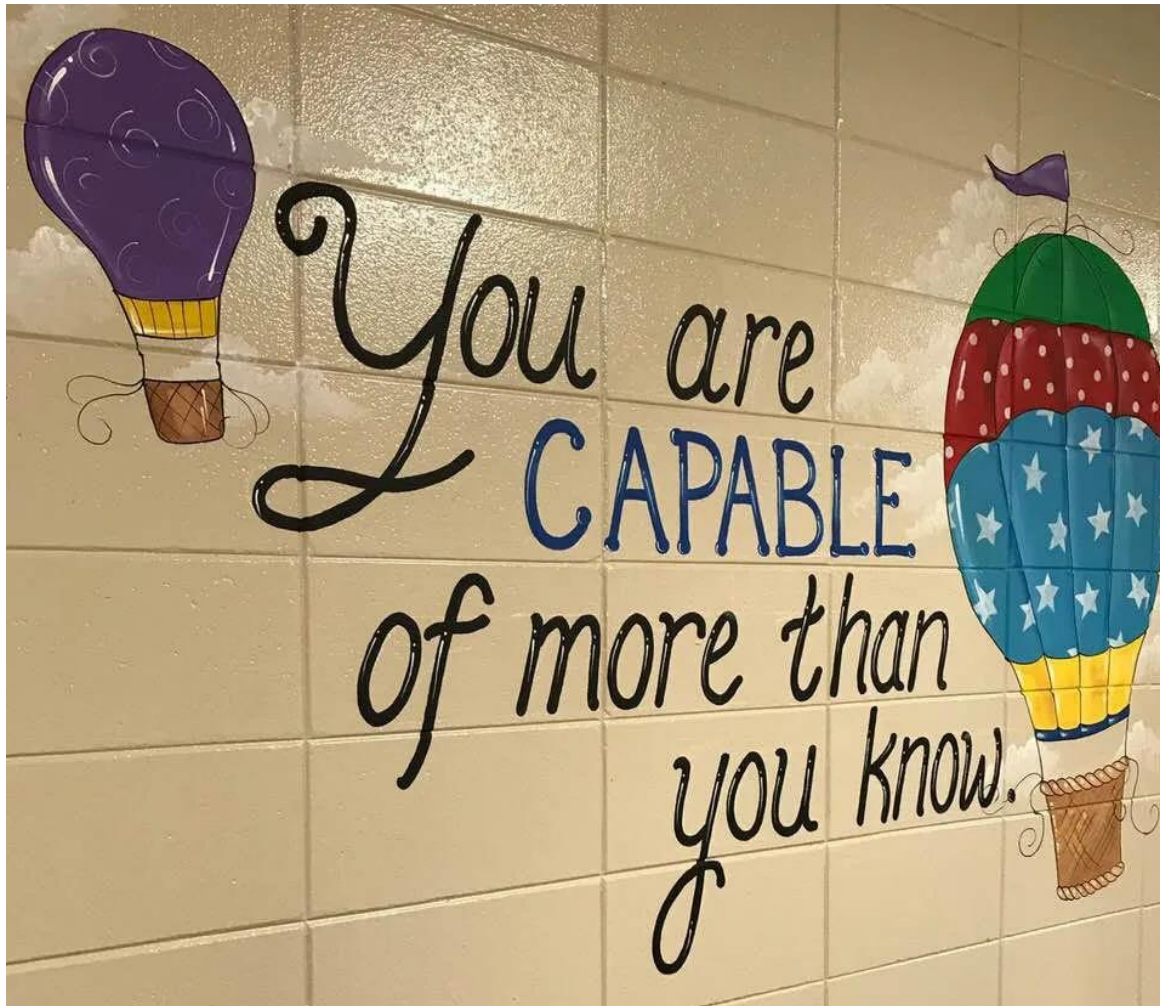

We are proud to belong to the Carr Hill community where we pursue excellence through commitment, aspiration, resilience and respect.

High standards and expectations are really important

- Commitment to high standards
- Aspiration for high standards
- Resilience to maintain high standards
- Respect for others through high standards

High standards of appearance,
behaviour and learning.

SILENCE

TOILET FACILITIES

APPEARANCE

RESPECT

Silence

- We enter a classroom in silence, stand behind chairs, get out equipment and wait for the teacher to ask us to sit down
- We are in silent in a classroom unless answering a question, asking a question, doing group work or paired work or reading out loud
- Independent work is silent work
- We leave the classroom in silence
- Staff will use the behaviour system – you do not get a warning but get a 3 the first time you do something you should not; then 2 then be timed out. Staff should say eg ‘that’s a 3 for talking’. Class time is not a time to argue!
- Time out = same day detention; more than one time out = exclusion next day

Allow others to focus, learn and do so quickly.

Toilets

- Year 7 & 8 use dining room before school and break
- Year 7 & 8 use dining room toilets at lunchtime
- Year 9-11 use benches before school and break
- Year 9-11 use benches at lunchtime and others
- No other toilets will be open
- We are looking at removing urinals in bench male toilets and replacing with additional cubicles

There will be additional staff on duty

No one should leave class without pass/note – you will be sent back

We should not be using the toilet during lessons unless there is a medical condition – it disturbs learning

Respect the toilets – other people have to use them!

APPEARANCE

- Will be checked at line up in the morning
- Anything that can be corrected to be done then – after that you can expect a same day detention every time you are wearing uniform incorrectly for the rest of the day. Staff will check at start of every lesson.
- If the issue cannot be corrected then
 - Out of circulation
 - Detention every eve for the rest of week until sorted
 - If not sorted by the end of the week, exclusion for up to a week afterwards
 - If still not sorted, redirected to another school
- Only heads of year will grant exemption cards. No card, expect detention.

- ✓ Blazer - Not jumper without blazer
- X Hoodies
- X Fake tan, false nails or eyelashes, make up, trainers
- X Rolled up skirt
- X Piercings apart from one stud in ear lobe

There are many careers in life where a certain dress code is expected – we are preparing for the world of work

Taking pride in our appearance and following the expectations of the community we are in is part of being in a school or organisation

Of course you can argue that make up or trainers etc ‘don’t affect my learning’ but neither would coming in wearing your pyjamas or a ball gown – we just don’t do it!

No apology – our community, our expectations, our standards of appearance!

RESPECT

Language & attitudes

- We can never give up on the RESPECT mantra
- Are we challenging every inappropriate comment, gesture or action by our peers? If not we are accepting it and part of the problem
- Report any concerns to any member of staff

Punctuality

- Is a sign of respect. You will get detention if later than 5 mins for no reason.
