CARR HILL HIGH SCHOOL & Sixth Form Centre

School eLetter

2nd December 2016

Term Dates | Contact Staff

Dear Parents and Carers,

As part of Road Safety Week members of our Sixth Form Committee planned and delivered a road safety talk for Year 7 students. The sixth form pupils discussed the importance of being visible, sensible and careful on the way to and from school as the evenings get darker. They also handed hi-vis tags and stickers before launching a poster design competition. The sixth form students put together a fantastic assembly and gave some great advice. I thank them for taking the time to raise such an important issue amongst our younger students.

Last Friday the school held its first fundraising event for the South Africa 2017 trip. Thanks to the efforts of the volunteer group of students and staff almost £500 was raised which will be shared amongst all the Opt In Fundraising students. The event was well attended by friends and family members of the students involved and I thank them for supporting the pupils. The next fundraising event is currently being organised by the Dance Academy students and will take place at the end of January. More details will be available in the new year.

School photographs arrived in school yesterday and are available for collection from the Hub now. If you ordered photographs please ask your child to come to the Hub desk to collect them. Upon collection they will received a signed card given by the staff member who handed out their photograph.
