

Carr Hill High School, Preston: Provider Access Policy

Introduction

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purposes of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Student entitlement

Students in years 8-13 are entitled:

- To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme, which provides information on the full range of education and training options available at each transition point.
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options evenings, assemblies and group discussions and taster events.
- To understand how to make applications for the full range of academic and technical courses.

Management of provider access requests

Procedure

A provider wishing to request access should contact Mr Nick Beale, Careers Leader on 01772 682008 or via email (nbeale@carrhill.lancs.sch.uk).

Opportunities for access

Throughout the academic year there are weekly year group assemblies during which providers have the opportunity to come into school to speak to pupils. In addition, there are evening events such as Parents' Evenings which providers are also able to attend (See the calendar and events section of the school website for full details). Please speak to Mr Nick Beale to identify the most suitable opportunity for you. The school policy on safeguarding sets out the school's approach to allowing providers into school as visitors to talk to our students.

Premises and facilities

The school will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader Mr Nick Beale.
